October 2023

Dear Advisor

A very warm welcome to the 41st Royal Russell School International Model United Nations Conference. **There will be a meeting in the Advisors' room for all Advisors at 15.15 on Saturday which I hope you will be able to attend.** Along with other information I have enclosed a copy of the welcome letter to the delegates and the Approval Panel assignments. My thanks to **Alex Porter and Olesia Sava** for helping to organise the running of the Approval Panel and if you need to change your assignment, please see them in room C2.

I would like to draw your attention to the Fire Procedure. **Please see the Fire procedure details and map**. **There will be a practice during the weekend.**

This year, we will be hosting the Opening and Closing ceremony as well as the General Assembly in the Sports' Hall. The live streaming will be accessible in the Auditorium and on Youtube**.**

Please make use of the Common Room facilities where there will be the usual supply of tea and coffee. **Jenny Harris and TingTing Wang** will be on hand if you have any concerns. I have also provided bottles of wine, beer and soft drinks. Please make use of the "honesty box".

Please feel free to visit all the committee rooms, including the ICJ and Security Council during the conference. If at any stage you need to leave the campus during the day could you please leave your mobile number in the Advisor's room so that we can contact you if needed. Mobile phone numbers for Royal Russell staff for emergencies will be posted in the Advisors room. Please note that there should always be an Advisor from each school on site.

I would appreciate very much your presence at some stage during the evening entertainment on Saturday, Sunday and Monday (see rota attached), if your delegates are attending, and also the supervision of your students in their accommodation at night. Following the evening entertainment, delegates are required to return to their accommodation quickly and to stay in their houses and **keep noise to a minimum** (please be aware that some Royal Russell staff and their families live in the boarding houses and will be around during the conference). For school staying in local hotels, it is essential that Advisors accompany their delegates if leaving the Campus. This year we are again employing external security and no student will be allowed to enter or re-enter the Disco after 10.00pm. In my letter to delegates I have informed them that **after 10.00pm** they will only be allowed into the evening entertainment if accompanied by their Advisor.

Again this year, we will host the live final of MUN'S Got Talent on Sunday evening (pupils will be able to attend the auditions on Saturday).

Committee Chairs Meeting .Thank you for your recommendations for Committee Chairs. There will be a meeting for all Committee Chairs on Saturday at **1.15pm** in the Library.

Committees will begin this year at 2.00pm on Saturday with policy statements for all students followed by resolution construction. **This year we want to try and get the best possible resolutions so we would like you to encourage**

1) **any student who has come with their own well researched resolution to main submit their original resolution**
2) **any student who has come with a few clauses or no resolution to join a group working on resolution construction, which a group of students can submit. Students bringing their own**

resolution should join a resolution construction group on a different topic to the resolution they have written.

Official Lobbying will only begin at 16.15hrs. Co-submitting forms will be distributed in the Committee Rooms at this time. Delegates can sign to co-submit two resolutions on each topic, one a constructed resolution and the other an individual delegate's resolution. **Please see separate sheet "Guidelines for Delegates for Submitting Resolutions".**

Ambassadors Meeting. There will be a meeting for all Ambassadors at 17.30 on Saturday in the Library. I will speak to them about the appropriateness of Opening Speeches and consequences for them and their delegation of making an inappropriate opening speech. (Note guidelines in invitation booklet)

Chapel Service. All teachers and delegates, of any religion or none, are welcome to attend the United Nations chapel service at 9.15am in the school chapel on Sunday.
Health and Well-Being Centre: Please be aware that there will be a nurse available day and night.

On site accommodation: our visitors will be accommodated in all our boarding houses, Queen's, Hollenden, Oxford, Cambridge and Latessa. I would be grateful if you could remind your students that it is important to respect these facilities and inform them that no food should be consumed in the bedrooms.

Finally, I hope that the conference runs smoothly for you, but please do see me if you have, or indeed anticipate, any problems.

Yours sincerely,

SANDRINE CALVET

MUN Director

Approvals Panel Procedure 2023

Please note: delegates do not need to visit the Approvals Panel room to submit a resolution – you will be submitting resolutions for approvals via your committee rooms, virtually. No long queues outside Approvals!

To submit a resolution, please follow the below guidance.

1. In your committee rooms, collect a cover sheet from your chair – you will use this to collect your signatures when lobbying.

2. You can collaborate on resolutions using your own devices, or there are computers available in the IT rooms.

3. When you have gained 15 signatories, you must take your cover sheet to the committee Chair

4. The Chair will verify the signatures and give you a QR code to upload your resolution. You can upload the resolution from your mobile, or laptop.

5. Before uploading the resolution, the file *must* be saved in the following format:

COUNTRY**, **COMMITTEE**, **TOPIC

6. **Over the course of Saturday and Sunday, the Approvals Panel will scrutinise resolutions. If there are further amendments to be made to allow a resolution to be approved, you will be called to the Approvals Panel room.**

FIRE PROCEDURE for STUDENTS

Day & Boarding

The Fire Procedure is that when the fire alarm sounds all students and staff should leave the building and meet at that building's assembly point. Once the building has been checked and passed safe the alarm will be rung three times and then switched off. No students/advisors should return to the building until given the ALL CLEAR by Ms Calvet or another member of RRS teaching staff.

ON ARRIVAL

Please make sure you are aware of the assembly points for all buildings as indicated on the attached map to ensure that they know exactly where to meet should the Fire Alarm sound **BEFORE you go to your accommodation**. This is extremely important.

STUDENTS AND STAFF BOARDING

Please make sure that when you go to your accommodation **you know the exit points from your room which take you out of the building**. In the event of a fire alarm sounding at night students and staff should knock on the doors of the rooms either side of them to make sure the occupants are awake and then leave the building quickly and carefully going to their meeting points. No students/advisors should return to the building until given the ALL CLEAR by Ms Calvet. This will be indicated by the silencing of the Alarm. Students should check the maps so they are aware of the regulations.
