

## Crisis 2024

***“Our world is in shock. Please do everything in your power to stop us splitting in two. At this point in time our United Nations stands on a precipice”*** António Guterres

A new organisation, set up to oppose NATO, is announced. The Global Treaty Organisation (GTO) consists of **China, Russia, Iran, India, Dem Rep Korea** and many others. The announcement, from the new headquarters in Harbin, contains many world altering aspects. The GTO states;

- **Turkiye** now will join the GTO and the new organisation supports the establishment of extended borders to encompass key areas with large Kurdish populations (especially those in **Iraq** and **Syria**).
- The GTO encourages other NATO countries to follow Turkiye in joining the GTO.
- China welcomes India as a new ally and returns disputed land to India as an act of friendship. The GTO supports India in its land disputes with **Pakistan**.
- New borders will be recognised for Iran, which will extend to The Golan Heights. Iran will become a full nuclear power with the support of the GTO countries.
- All land occupied by Russia is recognised as sovereign territory.
